**CASE STUDY:**  
**RICH'S EXPRESS CARWASH**  
With **EXPRESS POLISHING Tunnel**

Hi, I'm Anthony Analetto, and today I'm in Mobile, Alabama at Rich's Express Car Wash where veteran car wash owners have decided to pioneer a new concept in the car wash industry, the off line polishing tunnel. The polishing tunnel is doing so well, that the next location they have under construction will also have one.

Situated in Mobile, a town that has over 22 conveyer locations the team at Rich's knew they had to bring something unique to the market that would make the customers keep coming back. That's when they decided they needed to add a polishing tunnel to give them a unique service that would make them stand out. The service also helps them...
